To Whom It May Concern:

Through this letter I would like to state that Mr. Vinay Ummadi was an intern at the Lab for Video and Image Analysis (LFOVIA) from September 2020 to May 2021. During this time Mr. Vinay worked under my supervision and contributed to a project on apply machine learning algorithms to predict the yield in a chemical reaction.

Mr. Vinay worked on the project diligently and was able to propose solutions to the problem.

I would be happy to answer any questions about this letter.
